29TH ANNUAL CLIMB TO FIGHT CYSTIC FIBROSIS

Thursday, November 16

On Thursday, November 16 community members from and around the Puget Sound will participate in the Cystic Fibrosis Foundation's 29th Annual Stair Climb at 1201 Third – a 56-floor vertical challenge. This annual event, proudly hosted by 1201 Third, supports the CF Foundation's mission to find a cure for Cystic Fibrosis and to improve the quality of life for people living with the disease. Following the early evening climb to the top of 1201 Third, participants will celebrate their success and enjoy the Happy Landings Party with great food and drinks. For additional information, visit: www.cff.org

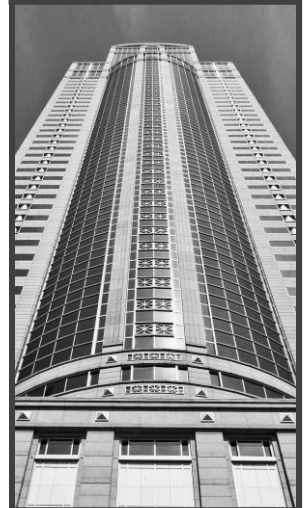

DIAPER DRIVE RESULTS

Thank you to everyone for participating in 1201's Diaper Drive for donations to Mary's Place. We collected 5,292 diapers to not only triple our goal of 1,201 diapers, but also collecting more than twice what we collected in 2016. Mary's Place was really excited to receive such a generous gift and asked that we extend their gratitude to you all. Great job! TREEHOUSE FOR KIDS HOLIDAY GIFT DRIVE

Treehouse for Kids has filled the gaps for kids in foster care, providing services that no other agency addresses: money for extracurricular activities and summer camp, professional educational support services, resources to fully participate in the everyday activities of growing up, and clothing and supplies to help them fit in at school. Treehouse serves more than 5,000 kids in foster care each year. For more information please visit www.treehouse4kids.org. Last year the tenants of 1201 Third came together as a community to ensure that over 150 kids in King County had a gift under the tree with their name on it. Helping is easy! Donations can be dropped off at the 1201 Security Desk or Property Management office on the 5th floor and are due in by 11:00 a.m. on Friday, December 15.
